Çiğdem Serdaroğlu

Tash Design was founded in 2011 by designer Çiğdem Serdaroğlu Karslıoğlu. Tash Design makes its collections in the artist's own art studio in Istanbul for women who love custom design jewelery.

The artist highlights Anatolian Motifs and metal craftsmanship to prepare collections aimed at combining ethnicity with a modern design concept.

Stars Collection is one of the most stylish collection of Tash Design, dreamed and handmade by famous artist Çiğdem Serdaroğlu from Turkey. The design and color of the collection is to remind you of the sky. Its wind, its rain and its shine invites you to make a real difference! To create a memorable outfit, your stars jewelry makes a perfect harmony with your casual or classic combinations in every season. It will also a nice gift option jewellery for mothers day, birthdays, christmas, new years, celebrations or to keep for yourself.

Olive Branch Collection

Olive Branch Earring

In mythology and botany, it is called “Immortal Tree”. In the Iliad, the poet Homer describes the immortality of the olive as follows: “I belong to everyone and I do not belong to anyone, I was here before you came, I will be here after you leave”
